ORIGINALLY FILED

LETTER TO OFFICIAL DRAFTSMAN

Official Draftsman  
Assistant Commissioner for Patents  
Washington, D.C. 20231

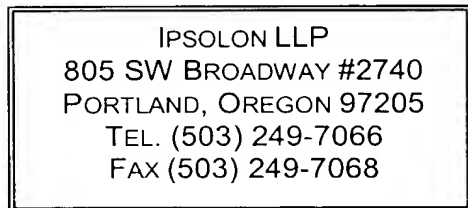

In response to the April 25, 2002 Office Action, applicant has proposed corrections to FIG. 12 (Sheet 6) and FIG. 13 (Sheet 7) of the above-referenced application. In particular, the following changes have been made to the drawings:

In Figs. 12 and 13, element number 114 has been added, and element numbers 118 and 120 have been repositioned to more accurately locate the structures to which they refer. Redlined corrections to the original drawings are attached.

In anticipation that these proposed changes to the drawings will be acceptable to the examiner, applicants have also submitted herewith formal drawings bearing these changes and ask that they be substituted in for original sheets 6 and 7.

In the event the enclosed drawings are deficient in any way, please contact the undersigned attorney for correction.

Respectfully Submitted,

John R. Dawson
